Esubara II

The screenshot shows the 'Esubara II' interface. At the top, there is a 'Build' button (dark grey) and a 'Scan' button (red). Below these buttons is a horizontal color calibration bar. Underneath the bar is a grey box labeled 'No filter'. Below this, there is a list of resources, each with an icon and a progress bar:

- Aqueous Liquids**: Represented by a blue liquid droplet icon. The progress bar is approximately 80% full.
- Heavy Metals**: Represented by a brown rock icon. The progress bar is approximately 70% full.
- Microorganisms**: Represented by a green plant icon. The progress bar is approximately 40% full.
- Noble Gas**: Represented by a blue gas cylinder icon. The progress bar is approximately 30% full.
- Planktic Colonies**: Represented by a green plant icon. The progress bar is approximately 30% full.
